

Subject Line (Pick one):

- Join us at One Ocean Week Seattle 2026 (Oct 19–25)
- Accelerating the Blue Economy: One Ocean Week is coming back to Seattle!
- Be part of Seattle's premier gathering for ocean innovation & climate action

Preview Text: Connecting leaders, innovators, and communities to catalyze a sustainable maritime future

Body:

Heading: Building a Sustainable Maritime Future Together

Mark your calendars! From October 19–25, 2026, Seattle will host One Ocean Week, bringing together ocean leaders, researchers, startups, policymakers, educators, and global delegations.

Hosted by [Maritime Blue](#), this week-long international gathering focuses on accelerating solutions for a sustainable, inclusive, and thriving Blue Economy and we invite you to be a part of it!

What to Expect:

- Ocean Summit: Explore breakthroughs in clean tech and marine science.
- Innovation Showcase: Meet the startups creating sustainable solutions for our ocean.
- Global Delegations & Networking: Collaborate with cross-industry leaders.
- Cultural & Community Events: Engage in hands-on activities celebrating coastal ecosystem health.
- Youth & Workforce Development: Shape the future of sustainable maritime careers.

Whether you're driving ocean innovation, advocating for ecosystem health, or looking to partner on climate action, there is a place for you at [One Ocean Week Seattle 2026](#).
