

OOWS 26 Social Media Copy

Option 1:

The future of our oceans requires radical collaboration—and it starts right here in the Pacific Northwest 

We're excited to announce One Ocean Week Seattle 2026, taking place October 19–25, 2026!

Hosted by Maritime Blue, this gathering convenes global delegations, marine researchers, startups, policymakers, and communities to advance the Blue Economy and lead on vital climate action.

Highlights for the week include:

- ♦ Ocean & Maritime Technology Showcase
- ♦ Sustainable Maritime Fuels Forum
- ♦ Equity-focused workforce programming
- ♦ Community & cultural events across the region

Save the Dates: October 19–25, 2026
