MARITIME BLUE

Standard Membership Benefits

Standard Member: $300 – $2,000 annually based on size
In-kind Member: Available to Public agencies, governments, NGOs, community-based organizations, research and academic organizations that commit in-kind support annually to Maritime Blue*

Benefits	Large 25+ employees	Medium 15-24 employees	Small 8-14 employees	Extra Small 1-7 employees
Annual fee	$2,000	$1,300	$600	$300
Access to co-working space (limited until Maritime Innovation Center opens)	Priority access and discounted rental costs for office, co-working, meeting, and event spaces at our new Blue Hub, opening in 2027 at Fishermen's Terminal.			
Invitation to member events	Join us for regular membership networking events and innovation showcases, and connect with visiting international delegates.			
Logo recognition on website & slide decks	Increase your organization's exposure with logo recognition on our website and all slide decks we present throughout the year.			
Highlighted in marketing and e-news	Expand your reach and build your audience by having your work highlighted across our newsletters, social media channels, and marketing materials.			
Preference for Program Committee participation	Partner with us to explore emerging markets, drive technological modernization, and advance participatory, science-based decision-making – with preferential opportunities to join Leadership Committees and shape future initiatives.			
401(k) Pooled Employer Plan	Access our shared ecosystem services designed to lower your overhead, including our 401(k) Pooled Employer Plan to reduce fiduciary risk and administrative costs.			
Business Networking Services (scaled)	Plug into our expansive network of potential B2B partners, tech startups, researchers, and regulatory agency advisors to help expand your opportunities. *Reach out to our team with specific connection requests.*			
Membership for all employees	All employees of member entities receive all benefits listed above.			

*Public agencies, governments, NGOs, community-based organizations, research and academic organizations are eligible for in-kind membership with Maritime Blue. In-kind contributions must be quantifiable (with value equivalent to Standard membership fees based on entity size), and documented in a written membership agreement.

For additional benefits and recognition including dedicated account management, consider joining as an Impact, Sustaining, Catalytic, or Innovator member.
